## OxalEurope Registry Board - Feedback Form

Committee members should complete this template when reviewing any requests for data and return to the other members of the Board (within 2 weeks). Then it will be set up a webmeeting in order to make the final decision and send feedback to the study lead.

Study Title:	
Study Lead:	
Date submitted:	
Is the study relevant?	
Is there a clear primary /secondary aim description?	
Is the project feasible?	
What are the expected results?	
What is the time line? Is this realistic?	
Are the requested data sufficient to answer the primary aim?	
General Comments	
Name of person providing feedback	
Decision of the Data Access Committee member
